Thank You for Listening to and Supporting Z98.3

We appreciate your prayers, encouraging words, and generous support for the ministry of Z98.3! This update helps us say thank you to our year-round supporters! It also helps to remind those who consider giving at year-end. We couldn't share the Gospel without you! We thank you.

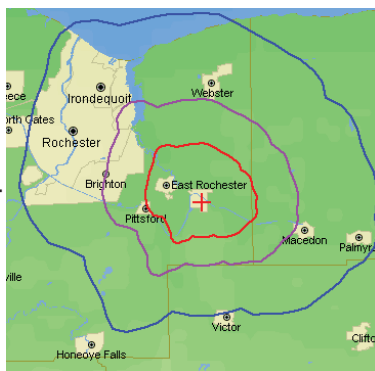

Here's a Brief Update!

Z98.3 presents the Gospel everyday. Z98.3 uses a proven "positive and uplifting" music format that builds audience throughout the broadcast day. Then Z98.3 stops our programming three times each day for a very clear presentation of the gospel. **We are in our 5th year of encouraging people every day to accept Jesus as their savior.** Only Z98.3 presents the gospel in a daily and systematic way.

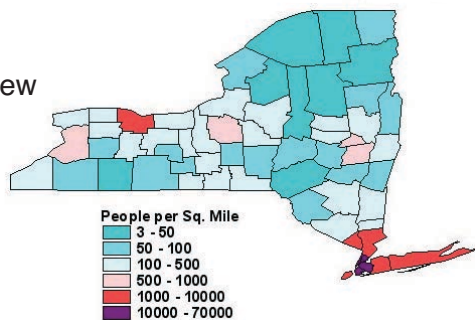

Rochester can be your mission field. Rochester is now the **80th largest market in the US.** Rochester sits near the top of the **Most Unchurched Cities** in America (Barna Research.)

Z98.3's signal covers about 90% of Monroe County and 60% of Wayne County where over 727,300 people live, work, and play. To put this in perspective, the Rochester region is actually larger than 66 countries of the world.

God blessed us with a transmitter site right at the center of the **highest population density** outside of New York City.

Two Target Audiences: Most Christian stations broadcast exclusively to Christians. In Rochester, only Z98.3 airs the "positive and uplifting" format proven to reach **both** believers and believers to be.

Z98.3 is Safe for the Whole Family! Listeners of Z98.3 never worry about shock-jocks, adult conversations, or lyrics with mature themes. That's why Z98.3 **reaches two audiences:** (1) the faith community and (2) good people of all walks! **We share Jesus with these "believers to be."**

Rochester's ONLY Local Christian Signal: Z98.3 is the only station with studios, offices, and people in Rochester. Only Z98.3 supports area churches, youth ministries like Young Life, schools like Roberts Wesleyan, and Christian events like Kingdom Bound Ministries. We also support many local evangelical churches and Christian events.

100% Volunteer: What organization do you know that operates 24 hours a day, seven days a week, year after year, **without any payroll?** We are good stewards of your donations. 100% of your support goes directly to on-air ministry.

Z98.3 needs your prayers and support. Except for payroll, Z98.3 incurs the same expenses as any other radio station: Studio equipment, transmitter site, antenna rent, insurance, electricity, outside production costs, phone, maintenance, music license fees, music costs, internet services, and on. **Would you give generously and join us in the Great Commission to reach our "Jerusalem & Judea"?**
